TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 5% Sales Tax, and will be added to the invoice.

ALL MATERIAL IN THIS SALE WILL BE AVAILABLE FOR INSPECTION

AND MUCH, MUCH MORE!

FRANK and LAURESE KATEN are proud to present their 51st Public Auction and Mail Bid Sale. Experienced collectors and bibliophiles appreciate the time, effort and research we put in every offering. The bottom line is expressed in the fact that we receive over 600 mail and phone bids from all over the world. For this we are most appreciative and grateful.

For the record - the last three sales, numbers 48 thru 50, we shipped an average of over 52 percent of the coins and books to foreign bidders. It is true that the foreign exchange is in their favor, but we feel we must be doing something right in the meticulous catalogueing, quality of material and most importantly, the packing and shipping.

+++++

For the first time we are holding an auction sale in conjunction with the DEALERS NUMISMATIC ASSOCIATION, INC. This will be their third convention and will be held at the Towson Center, the newest and most modern spectator building in the Baltimore metropolitan area.

Although we are not members (we feel that our membership in the International Association of Professional Numismatists since the founding year of 1951 is sufficient) we heartily endorse the DNA, as we believe that they are doing a good job.

We wish the DNA and Bourse Dealers well in this new location, the Towson Center, part of the Towson State University founded in 1866.

CONSIGNMENT F Continued

- 1322 A TORAH MANTLE. Certainly, a most unusual item to be found in a numismatic auction catalogue! However the consignor is a friend of mine, a world traveler and a numismatist.

This TORAH MANTLE was made around the mid-twenties. It belonged to the family of Dov (The Kohen) Rosenthal, who were residents of Warsaw before the final solution destroyed their family. During their stay at Lodz this Torah Mantle was on a Torah Scroll and was used during religious ceremonies. After being rescued from Poland after the war, it was in the possession of a Dr. Goldberg, who was a displaced person at Weigschied, Austria in 1947.

The inscription reads: "Hanna, Daughter of Dov (The Kohen) Rosenthal Donated in memory of her son JACOB".

[Dr. Goldberg gave this Torah Mantle to Ricardo J. Martinez who was at that time a soldier serving with the 4th Constabulary Regiment of the United States Army that had jurisdiction of the displaced persons camp at Weigschied, Austria.]

The size of the Torah Mantle is 32 x 17 inches. It is made of a dull red velvet and of course, completely hand made. The inscriptions are made with a gold wire thread, the gold brocade as well as all the ornaments are hand-sewn. The 'stones' or jewels are plain or colored metal discs. A Museum piece! VALUE ?

For a full-color photograph, size 5 x 7 inches, please send \$2.00 to the cataloguer.

END OF SALE

We regret that due to time limitations we are unable to complete this consignment of foreign dealers auction catalogues. We shall complete the alphabetical listing in Sale No. 52. scheduled for early 1980.

We have a backlog of numismatic literature, but would welcome consignments of coins, medals and tokens of the United States, World-wide and Ancients.

We leave September 8th to attend the International Numismatic Congress (occurring every six years) and then the annual convention of the International Association of Professional Numismatists in Interlaken. The Congress is being held in Berne, Switzerland. Then on to Germany and Netherlands on a buying trip, headquartered in Berlin and Amsterdam.

Our office will, of course, be open.
